

Web example PDF - www.saur.space/logo

Initial contact Logo designs – saur.space@gmail.com

To begin the process, I need you to hand me some information about who you are and what your company does.

Here are a few pointers of what I would like to know something about. **Keep in mind that it is not a must to fill out every pointer, and I also urge you to try and keep it rather short** as I want to hear this from you in person.

Your contact information

- Your name
- Phone number
- Email
- Website

Please tell me a little about you company

- What sort of product/service you are selling?
- Company history
- Company goals
- Company values ...*If you don't have any, I might reject you*

Inspirational artwork

(Please make sure to download and attach all examples)

- Your old logo (Even if it's just a line of text)
- Pictures from my personal gallery
- Pictures from another source
- A few favorite fonts (weblinks preferred) e.g. google web fonts: <https://fonts.google.com/>

Personal stuff

- What kind of music you enjoy the most?
- What makes you relax?
- What is your top 2 favorite hobbies?
